**GARCES RESIDENTIAL CARE SERVICES GROUP HOME CONTRACT COMPLIANCE REVIEW – CONTRACT NUMBER 07-023-031**

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a review of Garces Residential Care Services (the Group Home) in February 2014. The Group Home has one site located in the Fifth Supervisorial District and provides services to County of Los Angeles DCFS foster children and youth. According to the Group Home's program statement, its stated purpose is "to provide services to court dependent developmentally disabled children."

The Group Home has one 6-bed site and is licensed to serve a capacity of six male youth ages 7-18. At the time of review, the Group Home served six placed DCFS youth. The placed children's overall average length of placement was 15 months, and their average age was 16.

**SUMMARY**

During CAD's review, the interviewed children generally reported: feeling safe; having been provided with good care and appropriate services; being comfortable in their environment and treated with respect and dignity.

The Group Home was in full compliance with 9 of 10 areas of our Contract compliance review: Facility and Environment; Maintenance of Required Documentation and Service Delivery; Educational and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

*"To Enrich Lives Through Effective and Caring Service"*

CAD noted deficiencies in the area of Licensure/Contract Requirement, related to the vehicle used to transport the children having a broken taillight, a drooping headliner, and was in need of upholstery cleaning. CAD instructed the Group Home supervisory staff to immediately implement proper vehicle maintenance procedures to ensure compliance with Title 22 Regulations.

Attached are the details of our review.

### **REVIEW OF REPORT**

On April 11, 2014, the DCFS CAD Monitor, Patricia Kirkpatrick, held an Exit Conference with David Cuevas, Administrator. The Group Home representative agreed with the review findings and recommendations; was receptive to implementing systemic changes to improve compliance with regulatory standards; and to address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller and Community Care Licensing.

The Group Home provided the attached approved CAP addressing the recommendations noted in this compliance report. DCFS' CAD will verify that these recommendations have been implemented and Out of Home Care Management Division will provide technical assistance during their next visit to the Group Home.

**GARCES RESIDENTIAL CARE SERVICES GROUP HOME  
CONTRACT COMPLIANCE MONITORING REVIEW  
FISCAL YEAR 2013-2014**

**SCOPE OF REVIEW**

The following report is based on a "point in time" monitoring visit. This compliance report addressed findings noted during the February 2014 review. The purpose of this review was to assess Garces Residential Care Services' (the Group Home) compliance with its County contract and State regulations and included a review of the Group Home program statement, as well as internal administrative policies and procedures. The monitoring review covered the following 10 areas:

- Licensure/Contract Requirements;
- Facility and Environment;
- Maintenance of Required Documentation and Service Delivery;
- Educational and Workforce Readiness;
- Health and Medical Needs;
- Psychotropic Medication;
- Personal Rights and Social Emotional Well-Being;
- Personal Needs/Survival and Economic Well-Being;
- Discharged Children; and
- Personnel Records.

For the purpose of this review, four placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed each child and reviewed their case files to assess the care and services they received. Additionally, three discharged children's files were reviewed to assess the Group Home's compliance with permanency efforts. At the time of the review, one sampled child was prescribed psychotropic medication. His case file was reviewed to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed all Group Home staff files for compliance with Title 22 Regulations and County contract requirements, and a site visit was conducted to assess the provision of quality of care and supervision.

**CONTRACTUAL COMPLIANCE**

CAD found the following area out of compliance.

**Licensure/Contract Requirements**

- The Group Home's vehicle in which children are transported had a broken taillight and headlining that was hanging loose. The Group Home Administrator had the broken taillight and the headlining replaced, and submitted photographs of the repairs. CAD verified the repairs during a follow-up visit on March 14, 2014.

## **Recommendation**

The Group Home's management shall ensure that:

1. The vehicle in which the children are transported is maintained in good repair.

## **PRIOR YEAR FOLLOW-UP FROM DCFS OUT-OF-HOME CARE MANAGEMENT DIVISION'S (OHCMD's) GROUP HOME CONTRACT COMPLIANCE MONITORING REVIEW**

The OHCMD's last compliance report, dated September 25, 2013, identified six recommendations.

## **Results**

Based on CAD's follow-up, the Group Home fully implemented 5 of the 6 recommendations:

- Timely submittal of all SIRs
- Maintain the exterior of the home and keep it free from potential safety hazards
- Ensure the Group Home common areas are well maintained
- Group Home's plan to ensure the Children's bedrooms are well maintained
- Provide sufficient educational resources available for children's use

The Group Home did not implement one recommendation for which they were to ensure that:

- The vehicle in which the children are transported is maintained in good repair.

The Group Home Administrator stated that the Group Home is in the process of determining a timeline for purchasing a replacement vehicle to transport the children. In the meantime, the Group Home Administrator, David Cuevas, will conduct weekly vehicle inspections to ensure that the vehicle is clean and in good repair. If Mr. Cuevas notes any area in the exterior or interior of the vehicle is in need of repairs or cleaning, the vehicle will be repaired and/or cleaned within three business days. If any possible safety hazard is noted on the vehicle during Mr. Cuevas' weekly inspection, the Group Home will immediately stop using the vehicle to transport the children until the vehicle is repaired.

## **MOST RECENT FISCAL REVIEW CONDUCTED BY THE AUDITOR-CONTROLLER**

A current fiscal review of the Group Home has not been posted by the Auditor-Controller.
